Students choose the question from the drop down menu on the left. There are 8 questions, plus one guide.

When students get the answer correct, it will turn **GREEN**. If they answer incorrectly, it will turn **RED**.

The screenshot shows a Google Sheet titled "Reflection of a Point" with a menu bar (File, Edit, View, Insert, Format, Data, Tools, Add-ons, Help) and a toolbar. The main content area is titled "Reflection of a Point" and contains the following:

Directions: View at 75% if the puzzle goes off your screen. Click the down arrow to choose your questions. Write the answer as (x,y) . If you answer correctly, the box will turn green and part of the mystery puzzle will appear. If you answer incorrectly, the box will turn red.

Question 2

B Reflect the point over the y-axis. What is the coordinate point?
